

Greetings,

We are thrilled to announce the upcoming 10th annual Raider Run 5K, hosted by St. Alexander School on Thursday, May 9th. This event aims to support our school by ensuring our students have access to the latest, most innovative technology for an enriched learning experience.

This annual event and fundraiser has raised over \$280,000 for the school technology department since 2014. All St. Alexander students' learning experiences, from PreK through 8<sup>th</sup> grade, are enhanced thanks to the new technology.

**We hope that you will consider participating this year as a sponsor.** We are offering several different levels of sponsorship that we are sure will be mutually beneficial.

In 2023, over 350 students, families, community members and parishioners participated in the *Raider Run*. The race culminated with a celebration on the parish lawn that included food, music, face painting and lots of smiles and laughter! The funds raised made it possible for the school to purchase Lego robotics kits as well as other upgrades to current technology capabilities.

This year, our focus remains on further enhancing our students' learning environment through additional technology upgrades and advancements. We hope you will join us and look forward to seeing you on May 9<sup>th</sup>.

Enclosed, you will find detailed information on this year's sponsorship levels and benefits, along with the sponsor commitment form. Registration for the run is available online at [StAlexanderSchool.com](http://StAlexanderSchool.com).

Thank you in advance for your consideration!

Sincerely,

The *Raider Run* Committee

2024 St. Alexander Raider Run Committee
