Dear St. Alexander Families,

Thank you for choosing to invest in your child's future. St. Alexander School continually strives to provide the very best opportunities for your child to learn and grow in an environment that values our Catholic faith. Your continued support and commitment to St. Alexander School and Parish is appreciated.

Enclosed is the Tuition/Fee Schedule for the 2024-2025 school year. School expenses continue to rise despite all reasonable efforts to keep expenses as low as possible while continuing to provide an excellent, well-rounded, faith-based academic education. A 4% salary increase for teachers and staff, and an increase per staff member for health insurance are included in the new budget. These are costs mandated by the Archdiocese of Chicago. Please know other Catholic schools continue to raise their tuition 5% each year to cover their expenses.

St. Alexander School will only increase tuition by 3% as we did last year. The tuition increase per student in Kindergarten through grade 8 will be \$175 per child. Please keep in mind, even with fundraising efforts and the tuition increase there will be a projected school deficit for next year that will be covered by the parish. This is why it is important that all families support our Sunday liturgies and collections.

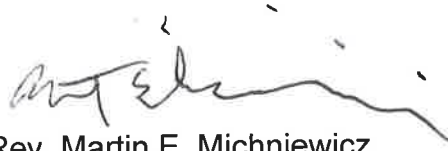

Please know that each year, much thought and prayer go into the preparation of the school budget. We work hard to be fiscally responsible while keeping tuition increases to a minimum without reducing the additional services that are necessary to serve the diverse needs of our student population. Our students are well prepared academically, socially and spiritually for high school.

As always, please feel free to reach out with any questions (708-448-0408).

Most sincerely,

Mrs. Sharon O'Toole
Principal, St. Alexander School

Rev. Martin E. Michniewicz
Pastor, St. Alexander Parish
